For the 15th consecutive year-the OPAL and Mid-Southern Oregon APA league operators would like to encourage our players to come out and "fight the battle" on the green "fields" of pool table for the bragging rights of being the best between the two areas.

Merle and Boomer Humphreys who run the "North" OPAL franchise of the APA have the counties of Clark, Washington, Multnomah and Clackamas.
Randee Lee who runs the "South" MYPLAYRS franchise has the counties of Marion, Yamhill, Polk and Linn. We have also included the franchise area of the Southern counties of Oregon run by RJ Vaness and "Wild Bill".

For the last 14 years, our players have met and played out APA races to earn match points for either the North or the South. The currently tally in the series is 7-7. The North has never led in the total tally. Lets make 2010 the year that the North finally takes our rightful place in the lead Active APA players of all skill levels are invited to participate in this popular event.

Format: Singles, 8-Ball, Double elimination. The first round, players are matched up in a blind draw North versus South. Each time this match up occurs during the course of the tournament, whoever wins the race will earn a point for their side. In addition, each pre-paid entrant will receive a commemorative t-shirt. Payout will go to the top 1/3 of the field. The first 32 PAID entries for each area will be guaranteed a slot in the tournament and a t-shirt in their size. In order to participate, you must be an active APA member on an active team (8-ball or 9-Ball) and must have a skill level based on at least 10 scores. Entry fee is $35 per player. This event fills up very quickly, so don't delay! Entry deadline is March 15, 2010.
